ADMISSIONS PROCEDURE

PROCEDURE

Admission to all the courses will be accepted in order of merit determined on the basis of percentage of marks obtained by the student in the qualifying examination and interviews.

The candidate is advised to apply for the admission only when they fulfill the eligibility requirements for the particular programme in which the admission is sought. It is the responsibility of the student to obtain all the relevant information about their eligibility. In case a student who is provisionally admitted on the basis of the information /documents furnished by them, is found ineligible/fake, the Director/Principal reserves the right to cancel the admission without any intimation to the candidate.

The Application Form complete in all respects, should be submitted with the following documents attached :

- School/College Leaving Certificate of the previous School/College attended, in original.
- Attested photocopies of Mark Sheets of X, XII, Graduation and/or qualifying examination.
- In case there is a gap in the education of the candidate, they must submit a Gap Certificate indicating that they have not taken admission in any college, have not appeared for any Examination and that their conduct has been good.
- Migration Certificate from previous Board / University.
- Students who have not graduated from Devi Ahilya Vishwavidyalaya, should submit Eligibility Certificate.

NOTES:

- One who has appeared in the qualifying examination during the current year as a regular or private candidate but whose result is yet to be declared can also apply for admission on provisional basis. Such a candidate must produce the certificate of passing the examination before the last date fixed for this purpose, otherwise their admission will be cancelled. The fee and charges paid by them shall not be refunded in any case.
- Minimum intake required to start a program shall be 50% of total seats in that program.

RULES FOR ADMISSION

1. Only those students who have passed class XII can seek admission to Graduate Programs. Students, who have to appear in Supplementary Examination to pass class XII or final year of degree course are not eligible to seek admission unless permitted by the M.P. Govt. and the University.

2. Students who have to appear for Supplementary/A.T.K.T. Examinations in first or second year of their Graduate program can take provisional admission. The admission will be confirmed when the student produces documentary evidence(s) of passing qualifying examination.

3. Regular and Provisional Admission in Graduate & Post Graduate Programs will be as per the University rules of that particular program. No fee is refundable after the confirmation of admission.

4. Those Students who are not previously enrolled with the University must submit the enrollment form along with the admission form. Those who are already enrolled with the university must mention their Enrollment No. on the Admission Form.

5. Decision of the Director / Principal with respect to admission shall be final. No correspondence shall be entertained in this regard.
